HILFIELD FRIARY

Over the past few years Hilfield Friary, Batcombe, below the edge of the Dorset Downs, has developed as a mixed community of Franciscan brothers and lay members, both men and women.

We offer hospitality to many guests, including those with particular need of rest, refuge and refreshment. You can read more about Hilfield on our website: www.hilfieldfriary.org.uk

We are looking for local volunteers – people who would be willing to give some time each week or fortnight to assist in staffing our office, welcoming guests, helping with our Friary shop, or sharing in any of the regular and essential community tasks: cleaning, cooking, gardening etc. We regard those who help us as part of the community for the time that they are at the Friary, and we invite them to share in our meals and our meetings. If you would like to experience something of Franciscan community life in this way please get in touch with

Sara Whistance at samspassf@franciscans.org.uk

or leave a message on 01300 34231.
